4 FREE TIME OR FLAT CHARGE ON CALLS - UNREASONABLE USE

- (a) In addition, and without limiting *our* rights under the [consumer terms](#), the [SMB terms](#), the [general terms](#), or the relevant *service description*, where *we* consider *your* use of a free time or flat charge offer is unreasonable, then *we* may:

- (d) We also consider *your* use of the *service* or a *value added service feature* to be unreasonable if *you* set up switch devices which overcome the time cap on free or flat call rates, thus keeping a line open potentially for hours and limiting the ability for other customers to access *our network*.
